PAYMENT POLICY

PRIVATE INSURANCE PATIENTS:

If you have a yearly deductible on your health insurance policy and you have not met this amount, payment for your visit will be due at the time of service. We will file your claim with your insurance company and apply your collected amount to your deductible. We will attempt to verify your deductible amount on the date of service for every office visit. If we cannot verify the amount of your deductible, your insurance will be billed for the cost of the office visit. Any amount not paid by your insurance will be billed to you separately. Thank you for your cooperation in this matter.

CASH/UNINSURED PATIENTS:

You must have a means of payment available to you at the time of service. If you cannot afford to pay these fees, you may seek care in the Emergency Room. The hospital receives government support to assist low income patients.

MEDICARE PATIENTS:

Under certain conditions, Medicare may not pay for services, procedures, or medications given in this office. Under these circumstances, payment is due at the time of visit. You will be asked to sign a waiver for this to occur and will be informed of the treatments which may not be covered at the time of service.

Any payments denied by your financial institution, such as a bounced check, will be assessed a \$40.00 service fee in addition to original fees.
